

Activity: Print out the templates to cut out the arms, legs, torsos and athletic equipment and prizes to make your own versions of the 2,000-year-old athletes competing in the Roman pentathlon. Use paper fasteners to attach limbs to allow the paper athletes to move. Draw or collage your own designs of athletic apparel on the athletes that you would like yourself or others to wear in an athletic competition.

Templates based on 2,000 year old mosaic athletes by Francesca Bewer, 2022.
